Dear Michael,

Thank you for contacting the Southeast Designing Out Crime Unit in relation to the re-consultation of full planning application 18/AP/1604 for the CANADA WATER MASTERPLAN. In relation to this re-consultation, the comments which I made in relation to this masterplan application on 22<sup>nd</sup> June 2018 and re-consultation on 18<sup>th</sup> March 2019 are still valid. I do not have anything further to add.

I fully believe that this development is suitable to achieve Secured By Design accreditation. I therefore would seek to have a **'Secured by Design' condition** for the whole development, attached to any permission that may be granted in connection with this application and that the wording is such that 'The development must adhere to the principles and physical security requirements of Secured By Design'. For this development I would seek for it to be two –part: pre-commencement of works, and pre-occupation.

Kind Regards,

Laura
